 - B. Discussion Items
 - Traffic Circle feasibility study – The traffic study was scheduled for 2020, but due to COVID-19, Mayor Hill put a stop to the study since it wouldn't accurately reflect traffic flow with everyone working from home. Now that things are opening back up, we can look into doing a budget amendment and getting updated bids. We need to ensure to ask how traffic flow would look like during construction and what the scope of work would be.
 - Not on the agenda, Council Member Thomas brought up the idea of having a Civic Award for those doing good work around the city. Would be great to see a way for citizens to nominate other citizens. Jessica will ask Gary about the possibility of adding that to the website and newsletter.
6. **Audience Participation** – None.
7. **Adjournment**

There being no further business, the meeting adjourned at 6:21 p.m.
