Police Chief- Our officer in the academy will be graduating in November and each member of the council is invited to attend. Sergeant McKay is still on sick leave and the crew has really stepped up to fill in the shifts to include our Reserve Officer Tunnell. New patrol car is here. National Night Out is the first Tuesday of October.

AUDIENCE PARTICIPATION – Valerie Moe, a 28 year resident on 2nd Ave S, wishes the parking lot was more readily available to the citizens instead of for employee parking. There is also a spot in front of the Police Department designated for OfferUp exchanges, but there is always a Distribudoor vehicle parked there. This makes it unsafe for those meeting there. Also noticed that the city is trying to rent the community center out. That won't be possible if there is never parking available. There needs to be parking for the community center.
