AUDIENCE PARTICIPATION

Stacey Clear with Gray and Osborne gave a short statement on the background of the city. She provided a map and asked the residents to highlight on the map where they had seen the flooding. This would help them document it.

Susan Treiber - 35 3rd Ave South. Her comments were already on record. She noticed that people were walking the streets. She liked that that the city was taking pro-active steps and liked that the city was stepping forward. She would like to stay involved.

Dan Rauchart – 138 1st Ave N. I have a shop in my backyard and a pump. The pump is not keeping up with it anymore. My neighbor's house across the street is bad now.

Brenna Franco – 328th 11th Ave N. I have only lived here for about a year. My lot is getting a little water but my neighbor is getting a lot. Their entire back yard is flooded.

James Harper – 312 Junction Blvd. I suggest developing a one-page form online for reporting flooding issues. Chief Schrimpscher responded that we do. A comment form is online. Use the comment form and put in the header RE: Flooding. These comments are forwarded to all department heads.

Facebook Questions:

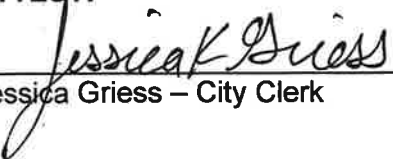

Augustina Boyer-Redman – 107 Stanley Avenue. What are you going to do about our sinking house due to the flooding? Ever since they re-did the street the streets are flooding bad. I want to know what can be done

Tonya Ferguson – 203 2nd Ave. What about my yard, which never flooded until this year. This is because a permit was signed that should not have been allowed.

Christine Cherry – 321 3rd Ave S. The City closed down the ditch in front of the house. The water now has nowhere to run. Within one year, it has caused damage to my foundation.

ADJOURNMENT – Meeting adjourned at 6:05 pm.

ATTEST:

Jessica Griess – City Clerk

David E. Hill – Mayor
