VIII. ADJOURNMENT

The City of Algona Planning Commission is appointed by and is advisory to the City Council on the preparation and amendment of land use plans and related implementing ordinances. The Planning Commission also reviews and makes recommendations on certain land use permit applications. Planning Commissioners are selected to represent all areas of the City and as many 'walks of life' as possible.

The actions tonight are not final decisions; they are in the form of recommendations to the City Council who must ultimately make the final decision.
