1. **Call to Order – Mayor Pro Tem called the meeting to order at 6:07 P.M.**
2. **Roll Call**
  - A. Council Members Brenna Franco, Troy Linnell, William Thomas, Linda Osborn and Gordon Cook were present. Staff members Jessica Griess – City Clerk, James Schrimpscher – Police Chief and Russ Avery – Public Works Director were present. Councilmember Cook made a motion to remove the Housing Action Plan from the agenda due to The Blueline staff member having a family emergency and Councilmember Osborn seconded it. All voted in favor.
3. **Approval of Agenda**
  - A. Council member Cook moved to approve the agenda and Council member Osborn seconded it. All voted in favor.
4. **Presentations**
5. **Council Discussion Items**
  - A. Storm Drainage. Russ Avery gave an update on the Northwest Corner. He would like to get documents from the City of Auburn as they have done research on the Northwest Corner. Once he gets the information from Auburn he will work with Gray and Osborne to put together a list of options to present to council. He is hoping to have more information by the next council meeting. He is still waiting on the permits to come back on the ditch cleaning.
  - B. City Website – Calendar- I spoke to Gary about updating the website with the calendar. Our website is outdated and we need to put it in next year's budget to update it. We are meeting with Buoyant Alert next Wednesday to see about doing push notifications. This would send out texts about council meetings, planning meeting etc. We will update you at the next council meeting.

**6. Audience Participation –**

Dorsel Plants. - New program director with the South King County Homeless Housing Partners. We offer membership and technical design. I am disappointed that the agenda was changed on the Housing Action Plan. Mr. Plants was invited to come to the next Council Workshop to meet with Blueline and give a short presentation.

**7. Adjournment – Mayor Pro Tem Troy Linnell adjourned the meeting at 6:27 P.M.**
