

Recycling Voucher Program

October 1st, 2023 – December 31st, 2024

Vouchers are valid for Algona residents only.

City of Algona residents can request up to four vouchers per household for the duration of the program. Not for commercial business use. Each voucher can only be used one time, per trip to either the Bow Lake or Enumclaw recycling & transfer station.

How to use your voucher

Bring your recyclable items and your voucher to Bow Lake or Enumclaw Recycling & Transfer Stations on or before the voucher expiration.

Let the scale operator know you have a voucher when you arrive. The scale operator will assist you in processing your items and submitting your voucher.

****PLEASE NOTE: If the recycling fees charged for your recyclable items are more than the voucher's value of \$30, the person whose name appears on the voucher is the responsible party for the additional costs in all instances, including transfer to another party. ****

The City of Algona will be responsible for invoicing and collecting any costs over \$30.

Visit algonawa.gov for more information and to request your voucher! Contact Algona City Hall at 253-833-2897 or email info@algonawa.gov with any questions.
